

The Members, the Body
and the Owner

Questions

1. Describe the problems the Members were experiencing. Include quotes from the story.

2. Identify the Members who voiced concerns.

What do these Members have in common? How are they different?

3. Who accepted responsibility for the problems experienced by the Members? Support your answer with a quote.

Describe the solution.

Did the solution work? Include a quote to support your answer.

The Members, the Body
and the Owner

Questions

4. Different lessons (main ideas) may be learned from a fable. Identify 2 possible health lessons in this fable.

5. Read this quote: When the Owner of the Body saw the signs, he realized that he was the cause of all the problems.

What does the word **signs** mean in the fable?

In the real world, when the body shows signs of poor health, you can see things happening to the body. What signs did the Teeth notice?
