 Alignment to California’s Common Core Content Standards, Grade 6-8
 - Includes College and Career Readiness (CCR) Anchor Standards -

Exercise Your Options supports teaching and learning related to standards across the curriculum in order to help middle school students make healthier food and activity choices on a daily basis. The following alignment identifies the end-of-year expectations related to the skills and understandings in each core lesson of the program. Additional standards supported by the extension activities are followed by this symbol: (E). Subject-specific extension activities at the end of each lesson are aligned to the content area literacy standards.
