### Workshop Description:

In this **two-part** Smarter Lunchrooms Movement workshop, participants will learn the basic principles and practices of the Smarter Lunchrooms Movement (SLM), and develop skills in implementing SLM strategies in their lunchrooms.

#### Part 1: Introductory Workshop, 8:45am-12:00pm

**Smarter Lunchrooms Movement Principles and Practices Workshop** provides a solid foundation in the Smarter Lunchrooms Movement (SLM) principles and practices. In this half-day workshop, participants will briefly review the theory behind the SLM, and learn about the 4-step process for implementing SLM. In addition, participants will practice identifying school lunchroom challenges and opportunities for improvement, and participate in an interactive session on how to engage key stakeholders.

#### Part 2: Train the Trainer Workshop, 1:00-3:30pm

**The Train the Trainer** portion of the workshop trains participants to implement the introductory workshop to local stakeholders. During this 2-hour workshop, participants will learn skills and strategies to provide training to partners utilizing the materials presented in the Introductory Workshop. **Please note, you must have completed Part 1 in order to participate in Part 2.**

**Prerequisite:** Before attending the training, you must complete the webinar-based course on the UC CalFresh Website. This will greatly enhance your understanding of the Smarter Lunchrooms Movement and help you get the most out of the in-person training.
